KMJ Corbin & Company Participates in Holiday Toy Drive

December 1, 2015 - In honor of the 2015 holiday season, KMJ of Costa Mesa, California and its employees have chosen the Make-A-Wish Foundation of Orange County and the Inland Empire as its charitable organization of choice in order to give back to our local community during the month of December.

“Since our inception, KMJ and its employees have been committed to providing excellent service to our clients, as well as serving the local communities where we operate,” said Mike Faddoul, Managing Partner of KMJ Corbin & Company. “We have a long legacy of identifying needs in our communities and finding a way to fulfill those needs and know that this toy drive will continue that legacy.”

KMJ provides accounting, auditing, tax and consulting services to public and private companies in the small to middle markets. We work closely with companies in a wide range of industries including technology, manufacturing, distribution, life sciences, not-for-profit, professional services, real estate, and broker-dealers.

We have offices located in Costa Mesa, Carlsbad, and Woodland Hills, California. These locations allow us to adequately serve clients throughout all of Southern California. Our resource network stretches nationally and internationally through our membership in The International Accounting Group (TIAG), a worldwide alliance of independent accounting firms. We have extensive SEC audit and accounting experience and are registered with the Public Company Accounting Oversight Board (PCAOB).
